Holiday Hours:

We will be closed the week of Thanksgiving, November 25-29th and the week of Christmas, December 23-27th, 2024. Our employees use this time to spend with their families. Extra care is taken prior to these weeks to adjust your pool's chemistry for our time away. If extra services are needed during this time, please notify our office.

Does your pool have a heat pump or heater that needs repairs?

Contact our office to have a technician come out and diagnosis issues with your heater or heat pump. Get ahead of the cold water and keep swimming. We can also give you a free quote for a complete system replacement to keep your pool equipment updated.

Reminder for all customers:

Please maintain appropriate water levels in your pool to prevent filtration pumps from running dry.

For your pets safety and our technicians, please try to contain your pets on your service day. Please make sure gates are working properly to allow our technicians access to your backyard.

All of us at North East Florida Pool Service wish you a safe and Happy Thanksgiving!
